

Hiring Manager Virtual Talent Acquisition Training

Hiring Manager Virtual Talent Acquisition Training

Introduction

With ever-evolving approaches to talent acquisition, more and more is being asked of both recruiters and hiring managers, to ensure that their organisation is able to access the best talent quickly.

This virtual course has been designed to inspire and develop Hiring Managers around the key aspects of Talent Acquisition, and their role in both the process and the over-arching strategy, to ensure that:

- Hiring Managers understand the importance of Talent Acquisition as part of a broader business strategy
- There is an understanding around the impact of bad hiring decisions
- Positive hiring manager and recruiter partnerships can be forged to achieve better recruitment outcomes
- Risk of poor candidate experience and/or legal claims are minimised or mitigated through a clear understanding of expectations, as well as improved confidence and capability

Who This Course is For

This course is for anyone who has line management responsibility and may therefore, also have responsibility for hiring into their team.

The course can be used as a standalone intervention, or to support an organisation's licence to operate model.

How the Course Works

The course consists of 7 recorded modules which can be accessed at any time by any hiring managers included in an organisation's annual subscription.

Whilst it is recommended that the whole course is subscribed to, modules can also be subscribed to separately.

Hiring Managers can access content as many times as they wish/need to during the 12 months subscription period.

Course Content
