

Talent Acquisition Training

Talent Acquisition Training

Introduction

With ever-evolving approaches to talent acquisition, more and more is being asked of recruiters to ensure that their organisation is able to access the best talent efficiently and effectively.

The FIRM Academy comprises of a series of live, virtual training modules designed to develop and inspire both new and more experienced Recruiters to ensure that:

- Recruiters feel inspired and passionate about the role they play in the talent eco-system
- There is an understanding around the impact that their role has within the business and on the ability to deliver against the organisational strategy
- Positive hiring manager and recruiter partnerships can be forged to achieve better recruitment outcomes
- Candidate experience is improved and enhanced
- Overall confidence, credibility and capability is increased

Who This Training Is For

There are various levels of modular training content ensuring that no matter what level your TA team is currently operating at there will be options suitable for all

Course Content

The training consists of individual modules split across 2 key levels:

FIRM Foundations
entry level content for new recruiters

FIRM Advanced
content aimed at the more experienced recruiters who require refresher training or want to dial up their capability in particular areas

Organisations can decide which modules to purchase depending on the needs of the individuals within the team.*

It is highly recommended that all new recruiters go through all 4 FIRM Foundations modules.

FIRM Foundations Modules
